A. Matters on the agenda of the General Meeting

At the General Meeting, the following matters will be considered:

- 1. Opening of the meeting**
- 2. Calling the meeting to order**
- 3. Election of persons to scrutinize the minutes and to supervise the counting of votes**
- 4. Recording the legality of the meeting**
- 5. Recording the attendance at the meeting and adoption of the list of votes**
- 6. Combination of share classes and amendment to the Articles of Association**

The Board of Directors proposes to the General Meeting combination of share classes and amendments required by the combination to the company's Articles of Association. The Board of Directors proposes combination of share classes in a way that company's existing class K shares are converted into shares that have corresponding rights as the existing class A shares with a conversion ratio of 1:1. Class K shares have carried 20 votes in the General Meetings and class A shares one vote. Company's class A share is traded on First North Growth Market Finland and First North Growth Market Sweden. Class K shares are not subject to trading on regulated market or on a multilateral trading facility. After combination, the company would have only one class of shares.

The Board of Directors considers that the combination of share classes would simplify and clarify company's ownership structure. By combining the share classes also investors' interest towards the company's share and therefore also liquidity of the share on the markets could be increased. The Board of Directors considers that combination of share classes is in the best interest of the company and all its shareholders.

In relation to combination of share classes, the holders of class K shares, who own majority of class K shares, have provided their consent for the combination of share classes in accordance with Chapter 5, Section 28 of the Limited Liability Companies Act. Furthermore, the holders of class K shares, who own 82% of class K shares, have informed the board that they support the combination of share classes.

In relation to combination of share classes, the Board of Directors proposes that Section 3 (Shares) of the company's Articles of Association be amended to read as follows:

"3 § Shares

Shares in the company belong to book-entry system. Each share carries one (1) vote in the General Meeting."
